

PRODUCT DESCRIPTION

SINGLE COMPONENT FAST CURING WATER-BORNE FILLER

COPON BLOCKWORK SURFACER is a filler / surfacer with very fast drying properties specially developed to fill holes and surface irregularities on rough block work and cementitious surfaces.

COPON BLOCKWORK SURFACER is designed to smooth rough surfaces prior to overcoating with Copon high performance water-borne coatings.

COPON BLOCKWORK SURFACER is easy to apply by steel trowel or float, has odour and taint free characteristics, making it an ideal product for application in food factories and the interior of buildings where solvent free or water-borne products are essential.

Standard Colour Availability Manufactured only in Off White

GENERAL PROPERTIES

Adhesion Excellent to correctly prepared surfaces.

SURFACE PREPARATION

Method Surface to be coated should be clean, dry and free from surface contaminants.

MIXING

Number of Components Single component material supplied ready for use.

Shelf Life Minimum 12 months in original sealed containers.

APPLICATION

Method COPON BLOCKWORK SURFACER should be spread by float or trowel, pressing the product firmly into the surface. Remove any excess material and smooth the surface with the float/trowel to provide a level skin.
Any high points or rough edges of material around grouting can be smoothed using a damp paint brush.

Coverage Rate All equipment must be cleaned IMMEDIATELY after use with clean water.
1m² per kilo - dependant upon the texture and profile of the substrate.

PHYSICAL CONSTANTS

Drying & Cure Times at 20°C	Touch Dry	20 minutes
	Hard Dry	2 hours
	Minimum Overcoating	2 hours (for water based coatings) 4 hours (for solvented product)
	Maximum Overcoating	3 months
Volume Solids (Average) by Volume	75%	
V.O.C	Nil	
Specific Gravity (Average)	1.900	

HEALTH & SAFETY

1. Being water based, COPON BLOCKWORK SURFACER is non hazardous in use.
2. Undue contact with the skin should be avoided.

NOTE: Full Health & Safety Data is available from E Wood Ltd.

PACKAGING

Supplied in 10 litre pails containing 19 kilos of product.
