

PRODUCT DATA
**COPON
GRAFFITI
REMOVER**

PRODUCT DESCRIPTION

SINGLE COMPONENT GRAFFITI REMOVER GEL

COPON GRAFFITI REMOVER is a quick drying low odour graffiti remover which after use can be readily removed with water. COPON GRAFFITI REMOVER is designed for the removal of graffiti from fully cured COPON High Performance Finish Coatings. COPON GRAFFITI REMOVER can also be used to remove graffiti from masonry and many other surfaces affected by aerosol and oil based paints, permanent markers and felt tip pens.

MIXING

Number of Components	Single component material supplied ready for use.
Shelf Life	Minimum 12 months in original sealed containers.

APPLICATION

METHOD **Porous Surfaces**

Apply generously by brush to the graffiti. Allow to act, then agitate with a scrubbing brush working well into the surface. Rinse off with plenty of water to neutralise residues. Repeat if required.

Non Porous Surfaces

Apply to affected areas and allow to act, then agitate with a non abrasive media. Rinse off clean water.

Note: Avoid contact with solvent sensitive plastics.

HEALTH & SAFETY

1. In the wet state this material is non flammable.
2. Chemical goggles and rubber gloves are advised.
3. Undue contact with the skin should be avoided.
4. All equipment should be cleaned immediately after use with clean water.

NOTE: Full Health and Safety Data is available from E. Wood Ltd.

PACKAGING AND STORAGE

Supplied in 1 and 5 litre units.

Use within 5 years of purchase. Store in original sealed containers at temperatures between 5°C and 30°C
