

Introducing...

3M™ T/Y+ Wire Connectors

New!

- Replaces yellow, orange, blue and grey wire nuts
- Small connector easily fits in junction boxes, but still accommodates up to three #12 awg solid copper wires, or four #14 awg solid copper wires

The 3M T/Y+ wire connector is 3M's latest solution to meet the needs of today's electrical contractors. Very small and able to fit into tight spaces, the T/Y+ has an incredibly broad wire range accommodating from two #22 awg copper wires to three #12 awg solid copper wires. A flexible skirt provides protection from over stripped wires.

T/Y+ Connector

- Incredible wire range
- One connector replaces four (yellow, orange, grey and blue)
- Smooth comfortable feel
- Quick bite, even on large wire combinations
- Quick bite spring design
- Compatible with 3M™ WCD-P Wire Connector Drivers
